

PATHFINDER SUMMER CAMPS

Why Choose Pathfinder?

Led by our highly-skilled, professional educators, Pathfinder's camps are activity based, hands-on programs filled with opportunities for adventure and self-discovery for your child.

At our camp, canoeing, tree climbing, low ropes and/or high ropes are done not just for excitement but are facilitated to develop self-confidence and problem solving skills.

"I wanted to let you know what a fantastic time our son had at camp last week. Now that he is home, more and more is coming out about his experiences and what adventures he had. He told me that he has changed because of it and I can see that! The highlight, of course, was climbing the 40 foot tower and zip-lining the last day. He is so proud of this accomplishment.

As a parent I am very impressed with the skill, caring and adaptability of your staff. We hope that Pathfinder Camp will be a new summer tradition."
